Our Values

West Salem High School Drama Department strives to promote ideals of **community, opportunity, and understanding** in all our actions as parts of a whole. Building meaningful relationships with one another as well as welcoming newcomers with open arms will allow us to strengthen the foundation of our program. Our goal is to provide various **opportunities** of service, performance, and enrichment that will enhance our theatre education. **Understanding** that each student has their own needs, struggles, and strengths is key to sympathizing and being there for our fellow thespians. Upholding these values of **community, opportunity, and understanding** will help us become upstanding Thespians.

SURPRISE!!!!!!

IT'S NATIONAL TEXAS DAY

Your fantastic board will
now perform Texas state
anthem!!!!!! Enjoy!!!!!!

Texas Our Texas

Texas, Our Texas! All hail the mighty State!
Texas, Our Texas! So wonderful so great!
Boldest and grandest, withstanding every test
O Empire wide and glorious, you stand supremely
blessed.

Texas, O Texas! Your freeborn single star,
Sends out its radiance to nations near and far,
Emblem of Freedom! It sets our hearts aglow,
With thoughts of San Jacinto and glorious Alamo

Texas, dear Texas! From tyrant grip now free,
Shine forth in splendor your star of destiny
Mother of heroes, we come you children true
Proclaiming our allegiance, our faith, our love for
you.

God bless you Texas! And keep you brave and
strong,
That you may grow in power and worth,
throughout the ages long.

Thespian Points

It is your responsibility to keep track and log your points in order to receive credit. Current Thespians will be receiving their paper copies of points to log those in our online system.

You will need your phone or chromebook!

Part of becoming a member and being a part of Thespian Society is receiving points for participation and work done within the realm of theatre. In order to document those points, we will be using an online system that will be checked once a month by myself and Mrs. Sabine.

Once you have received your own copy of the worksheet, please make a new folder in your Google Drive entitled "Thespian Society - (Your Name)". After that, right-click and share the folder

Once you've done that I will be inserting a pdf of the points system and you can begin logging your points!
