OUR VALUES

West Salem High School Drama Department strives to promote ideals of **community**, **opportunity**, and **understanding** in all our actions as parts of a whole. Building meaningful relationships with one another as well as welcoming newcomers with open arms will allow us to strengthen the foundation of our program. Our goal is to provide various **opportunities** of service, performance, and enrichment that will enhance our theatre education. **Understanding** that each student has their own needs, struggles, and strengths is key to sympathizing and being there for our fellow thespians. Upholding these values of **community**, **opportunity**, and **understanding** will help us become upstanding Thespians.

The true story of 19th-century astronomer Henrietta Leavitt explores a woman's place in society during a time of immense scientific discoveries, when women's ideas were dismissed until men claimed credit for them. Social progress, like scientific progress, can be hard to see when one is trapped among earthly complications; Henrietta Leavitt and her female peers believe in both, and their dedication changed the way we understand both the heavens and Earth.

Volunteers for our Bulldog Night on 5/2. We were hoping to get some of your Thespian students to help run some craft tables if they are available. I created a Google Form for volunteer sign ups that I wanted to share with you. When you get a moment to talk to your students, can you please share this document with anyone interested in volunteering for the evening? Thank you so much for the help!

It is your responsibility to keep track and log your points in order to receive credit. Current Thespians will be receiving their paper copies of points to log in our online system.

THESPIAN POINTS

You will need your phone or chromebook!

Part of becoming a member and being a part of Thespian Society is receiving points for participation and work done within the realm of theatre. In order to document those points, we will be using an online system that will be checked once a month by myself and Mrs. Sabine.

Once you have received your own copy of the worksheet, please make a new folder in your Google Drive entitled "Thespian Society - (Your Name)". After that, right-click and share the folder

Once you've done that I will be inserting a pdf of the points system and you can begin logging your points!

50 Days Remaining

The end is near.

Our current Thespian Board is beginning to coach the new generation.

The new board will begin to plan meetings, events, and fundraisers.
